to whom it may concern.

I cannot afford to wait for local radio traffic and weather info .the stations around here suck.I drive the Baltimore area and every minute counts when you have a dedicated run .I paid hard earned money to have xm radio to have a jump ahead of any problems.if there's someone losing money over xm traffic or weather reports TUFF!!!!!!I want to keep it the way it is. TO HELL WITH nabs-04-160 and the same for R/MS&D/TX.
